at martin.kich@wright.edu**

Awards

John A. Marino, College of Technology, BMRT, Trumbull Campus, received the President's Volunteer Service Award from the President's Council on Service and Civic Participation, Washington, D.C. The award recognizes individuals who have served the community and country through volunteer efforts in the areas of citizenship, service and responsibility in America. The award was presented in April 2009.

Scott Minar, Department of English, Ohio University at Lancaster, and **Frank LoSchiavo**, Department of Psychology, Ohio University at Zanesville, have been recognized with Ohio University's 2010 Regional Higher Education Outstanding Professor Awards.

Publications: Books

Miki Crawford, Department of Communication, Ohio University's Southern Campus, has co-authored, with Katie Kaori Hayashi and Shizuko Suenaga, *Japanese War Brides in America*, published by Praeger in 2010.

Ann Elizabeth Armstrong, Theatre Department, Miami University, and **Kelli Lyon Johnson**, English Department at Miami University at Hamilton; and William A. Wortman, University Libraries, Miami University, are co-editors of *Performing Worlds into Being: Native American Women's Theater*, published by Miami University Press in 2009.

Peter C. Kratcoski, Department of Justice Studies, Kent State University at Stark, and Lucille D. Kratcoski, co-authored *Juvenile Delinquency*, the fifth edition of which, in Chinese, has been published by Pearson Education Asia Limited and China Light Industry Press, China, in 2009.

Craig Paulenich, Department of English, Kent State University at Salem, published a book of poetry, *Blood Will Tell*, BlazeVox Books, Aug. 19, 2009.

Chapters in Books and Articles in Collections

Roger Davis, University Libraries, Kent State at Stark, "A Web-Based Usage Counter for Serial Collections", *The Serials Librarian*, edited by Jim Cole, published by Taylor & Francis Group, Philadelphia, Pa., Vol. 57 Issue 1-2 (July-September 2009), 137-148.

Angela Douglass, College of Nursing, Kent State University at East Liverpool, co-authored a chapter on Renal NCLEX questions in *NCLEX-RN Review: 1000 Questions to Help You Pass*; Hoyson, P. and Serroks, K. (2010).

Peter C. Kratcoski, Department of Justice Studies, Kent State University at Stark, with Maximilian Edelbacher, "Juvenile Justice in Austria and the United States: Similarities and Differences", *Police Science and Management*, published by Vathek Publishing, Isle of Mann, England, Vol. 11, Issue 2, Summer 2009, pg. 203-216

Peter C. Kratcoski, Department of Justice Studies, Kent State University at Stark, with Maximilian Edelbacher, "Protecting the Borders in a Global Society: An Austrian and American Perspective", *Border Security in the Al-Qaeda Era*, edited by John A. Winterdyk and Kelly W. Sundberg, published by CRC Press, Boca Raton, Fla., 2010, pg. 77-121.

Peter C. Kratcoski, justice studies, Stark Campus, "History of Victimology, 1950s", *The Praeger Handbook of Victimology*, edited by Janet.K.Wilson, published by Praeger, Santa Barbara, Calif., 2009, 113-116.

Peter C. Kratcoski, Department of Justice Studies, Kent State University at Stark, co-authored the chapter, "Policing Without Borders: An Overview," *Policing Without Borders: The Fading Distinction Between Local and Global*, Cliff Roberson, Dilip K. Das and Jennie K. Singer, (2010): pp. 1-30.

Molly Merryman, Department of Justice Studies, Kent State University at Trumbull, "Documenting Prejudice: Using Video to Reveal Hidden Truths", *Freedom and Prejudice: Approaches to Media and Culture*, published by Bahcesehir University Press, 2008, pg. 223-229.

Articles in Professional Journals

Todd Levine; Brian K. Lang, New Mexico Department of Game and Fish; and **David J. Berg**, Department of Zoology, Miami University at Hamilton, co-authored "Parasitism of Mussel Gills by Dragonfly Nymphs" in *The American Midland Naturalist*, in 2009.

Makiri Sei, Brian K. Lang, New Mexico Department of Game and Fish; and **David J. Berg**, Department of Zoology, Miami University at Hamilton, co-authored "Genetic and community similarities are correlated in endemic-rich springs of the northern Chihuahuan Desert," in *Global Ecology and Biogeography*, in 2009.

Richard Seidel; Brian K. Lang, New Mexico Department of Game and Fish; and **David J. Berg**, Department of Zoology, Miami University at Hamilton, co-authored "Phylogeographic Analysis Reveals Multiple Cryptic Species of Amphipods (Crustacea: Amphipoda) in Chihuahuan Desert Springs" in *Biological Conservation*, in 2009.

Kitty Consolo, Health and Human Services, Ohio University at Zanesville, wrote a peer-reviewed article titled "Managing Asthma in Competitive Runners," that appeared in *Future Focus*, a journal published by the Ohio Association for Health, Physical Education, Recreation and Dance.

Irene E. Edge, Department of Computer Technology, Kent State University at Ashtabula, authored "Employ Five Fundamental Principles to Produce a SOLID, Secure Network," *Information Security Journal: A Global Perspective*, Kamesh Namuduri, Vol. 19, Issue 3, (2010): 153-159.

Kevin C. Ray, Stacy A. Blaine, M. Kay Washington, Ada H. Braun, Amar B. Singh, Raymond C. Harris, Robert J. Coffey, and Anna L. Means, Vanderbilt University Medical Center, and **Paul A. Harding**, Department of Zoology, Miami University at Middletown, co-authored "Transmembrane and Soluble Isoforms of Heparin-Binding Epidermal Growth Factor-Like Growth Factor Regulate Distinct Processes in the Pancreas" in *Gastroenterology*, in 2009.

Kelly Prince-Zullig; Emily Murphree; Rainer K. Reinscheid, University of California, Irvine; **James Janik**, Department of Zoology, Miami University at Middletown; and Phyllis Callahan, Miami University, co-authored "Effect of Nociceptin/Orphanin FQ (N/OFQ) and Isoflurane on the Corticosterone Secretory Response in Mice Lacking the N/OFQ Prepropeptide (ppN/OFQ-/-)" in *Neuropeptides*, in 2009.

Ann L. Rypstra, Department of Zoology, Miami University at Hamilton, Ann M. Schlosser, Patrick L. Sutton, and Matthew H. Persons co-authored "Multimodal Signalling: The Relative Importance of Chemical and Visual Cues from Females to the Behaviour of Male Wolf Spiders (Lycosidae)," in *Animal Behaviour*, in 2009.

Shawn M. Wilder, **Ann L. Rypstra**, Department of Zoology, Miami University at Hamilton, and Mark A. Elgar, University of Melbourne, "The Importance of Ecological and Phylogenetic Conditions for the Occurrence and Frequency of Sexual Cannibalism" in *The Annual Review of Ecology, Evolution, and Systematics*, in 2009.

Santokh Tandon, Department of Chemistry, Kent State University at Salem, published "Self-Assembly of Mixed-Valence Co(II/III) and Ni(II) Clusters: Azide-Bridged 1D Single Chain Coordination Polymers Comprised of Tetranuclear Units, Tetranuclear Co(II/III) Complexes, Ferromagnetically Coupled Azide-Bridged Tetranuclear, and Hexanuclear Ni(II) Complexes: Synthesis, Structural, and Magnetic Properties," *Dalton Transactions* (2009).

Santokh Tandon and **Douglas Motry**, Department of Chemistry, Kent State University at Salem, published "Copper Coordination Polymers Based on Single-Chain or Sheet Structures Involving Dinuclear and Tetranuclear Copper(II) Units: Synthesis, Structures, and Magnetostructural Correlations," *Inorganic Chemistry* (2009).

Presentations

Nicole Bissessar, Department of Economics, Kent State University at Ashtabula, presented "Eight Centuries of Financial Folly: The Future of Debt in Africa", at the 69th Annual Conference of the International Atlantic Economic Society in Prague, Czech Republic, March 2010.

Susan Emens, BMRT, Trumbull Campus, and **Jessie Carduner**, Department of Modern and Classical Languages, Trumbull Campus, presented "Understanding Faculty Perceptions to Increase Engagement

in the Implementation of Assessment Programs" at the 2009 Assessment Institute on Oct. 27, 2009 in Indianapolis, Ind.

Anne Freitas, College of Nursing, Kent State University at East Liverpool, presented, "The Relationship Among Factors Contributing to the Success of Nursing Students" at the Drexel Education Institute Conference in South Carolina, June 22-25, 2010.

Peter C. Kratcoski, Department of Justice Studies, Kent State University at Stark, presented, "Providing National and Human Security at Home and Abroad" at the 17th Annual International Police Executive Symposium in Valletta, Malta, March 14-19, 2010.

Margaret Rateau, College of Nursing, Kent State University at East Liverpool, presented "Using an Internet Protocol to Gather Stories for Qualitative Research with Individuals Living Through Health Challenges" at the 24th annual Southern Nursing Research Society Conference in Austin, Texas, February 2010.

Contributions to Print Archives and Collections

JARED FARLEY, Department of Political Science, Ohio University at Zanesville, worked with the James Luther Foundation to craft two annotated bibliographies of prominent Unitarian theologian James Luther Adams' essays. Adams published numerous essays, sermons and addresses that Farley categorized alphabetically and thematically. The bibliographies are now archived in the James Luther Adams Paper Archive at Syracuse University and the Andover-Harvard Library.

Contributions to Electronic Databases and Media

Daniel E. Palmer, Department of Philosophy, Kent State University at Trumbull, recently collaborated with information science and technology publisher, IGI Global to release, *Ethical Issues in E-Business: Models and Frameworks*. May 2010.

Performances and Exhibitions

Phillip Buntin, Department of Art, Kent State University at Trumbull, exhibited work at the Lamar Dodd School of Art at The University of Georgia. The "Re: mark" exhibit ran through Sept. 17, 2010, and was billed as a drawing invitational.

Margaret McAdams, Department of Art, Ohio University at Chillicothe, exhibited her work at Ohio University Eastern Campus' art gallery Sept. 17 through Oct. 27. The exhibit, "Ancient Mysteries and Majesties," showcased her talents in photography, drawing, and painting.

Grants

Robert Ashe, Corporate and Community Institute, Miami University at Middletown, has received \$1,395 from the Pitcher, Enders & Drohan CPA's Inc. for "Business Writing."

David Berg, Department of Zoology, Miami University at Hamilton, has received \$19,000 from the New Mexico Department of Game & Fish for "Further Assessment of the Gammarus Pecos Species Complex of New Mexico."

David Berg and **Ann Rypstra**, Department of Zoology, Miami University at Hamilton, have received \$69,500 from the National Science Foundation for "Research Experiences for Undergraduates Site: Ecology in Human-Dominated Landscapes."

David Berg and **Ann Rypstra**, Department of Zoology, Miami University at Hamilton, have received \$69,500 continued support from National Science Foundation for "Research Experiences for Undergraduates Site: Ecology in Human-Dominated Landscapes."

Michele Dienno, Miami Hamilton Downtown Center, has received \$20,000 from the Hamilton Community Foundation for "Miami Hamilton Downtown: Engaging a Community."

Elizabeth Howard and **Cathy Bishop**, Computer and Information Technology, Miami University at Middletown, have received \$185,000 from the Cincinnati State Technical and Community College (pass through funds from the US Department of Labor) for "Health Careers Collaborative of Greater Cincinnati."

Edel Jesse, Corporate and Community Institute, Miami University at Middletown, has received \$7,521 from CompuNet Clinical Laboratories for "Management Development Module II."

Edel Jesse, Corporate and Community Institute, Miami University at Middletown, has received \$6729 from Lorain Co. Community College (pass through funds from the Ohio Board of Regents) for "Targeted Industries Training Grants."

Edel Jesse, continuing education, Miami University at Middletown, has received \$5,750 from Lorain Co. Community College (pass-through funds from the Ohio Board of Regents) for "Targeted Industries Training Grants."

Edel Jesse, Corporate and Community Institute, Miami University at Middletown, has received \$4650 from Lorain Co. Community College (pass through funds from the Ohio Board of Regents) for "Targeted Industries Training Grant."

Edel Jesse, Continuing Education, Miami University at Middletown, has received \$2,745 from Lorain Co. Community College (pass-through funds from the Ohio Board of Regents) for "Targeted Industries Training Grants."

Edel Jesse, Corporate and Community Institute, Miami University at Middletown, has received \$32,750 from the Morris Material Handling Inc. for "Frontline Supervisor Training."

Edel Jesse, Corporate and Community Institute, Miami University at Middletown, has received \$1,550 from Rohm and Haas for "MS Excel Introduction."

Patricia McNab, Corporate and Community Institute, Miami University at Middletown, \$3,960 from CompuNet Clinical Laboratories for "Supply Chain Management."

Arlyne Sarquis, Center for Chemistry Education, Miami University at Middletown Campus, has received \$200,000 from the National Center For Research Resources for "HealthRICH Administrative Supplement."

Arlyne Sarquis, Department of Chemistry and Biochemistry, Middletown Campus, has received \$449,000 from the National Petroleum Refiners Association for "NPRA Science Teacher Education Project Years 2009-2014."

Arlyne Sarquis and Lynn Hogue, Center for Chemistry Education, Miami University at Middletown, have received \$224,977 from the Ohio Board of Regent (pass through funds from the U.S. Department of Education) for "Advancing Ohio's Physical Science Proficiency 2009-10."

Rob Schorman, office of the dean, Miami University at Middletown, has received \$84,000 from Cincinnati State Technical and Community College for "Tech Prep Program."

Robert Seufert, Department of Sociology and Gerontology, Miami University at Middletown, has received a \$300,750 additional award from Ohio Department of Public Safety (pass through funds from the US Department of Transportation National Highway Funds) for "Highway Traffic Safety Evaluation and Action Planning."

Robert Seufert and Darlene Campbell, Department of Sociology and Gerontology, Miami University at Middletown, have received \$24,000 from Sinclair Community College (pass through funds from the National Science Foundation) for "Faculty Development in Hybrid and Advanced Automotive Technology."

Robert Seufert and Darlene Campbell, Department of Sociology and Gerontology, Miami University at Middletown, have received a \$9,519 additional award from Sinclair Community College (pass through funds from the National Science Foundation) for "Faculty Development in Hybrid and Advanced Automotive Technology."

Robert Seufert and Darlene Campbell, Department of Sociology and Gerontology, Miami University at Middletown, have received \$6,000 from A Positive Approach to Teen Health (PATH Inc.) for "Pathblazer Evaluation 2009."

Robert Seufert and Darlene Campbell, Department of Sociology and Gerontology, Miami University at Hamilton, \$35,000 from The RIDGE Project (pass through funds from the Department of Health and Human Services) for "The RIDGE Project Abstinence Education Evaluation 2009-10."

Robert Speckert, Engineering Technology, Miami University at Hamilton, has received \$28,000 from the University of Akron (pass through funds from the Ohio Board of Regents) for "CT2 Validation Center."

Kathleen Weber, Corporate and Community Institute, Miami University at Hamilton, has received \$13,820 from Blanchard Valley Health Systems for "Supervisory Leadership Program."

Kathleen Weber, Corporate and Community Institute, Miami University at Hamilton, has received \$13,500 from Cincinnati Thermal Spray for "Leadership Development Phase 1."

Kathleen Weber, Corporate and Community Institute, Miami University at Hamilton, has received \$17,200 from Epcor Foundries for "Lean Training and Consulting Services."

Kathleen Weber, Corporate and Community Institute, Miami University at Hamilton, has received \$3,200 from the Hillman Group for "Microsoft Office 2007 Updates."

Kathleen Weber, Corporate and Community Institute, Miami University at Hamilton, has received \$16,200 from the Hydro System Company for "Individual Leadership, Coaching and Consulting."

Kathleen Weber, Corporate and Community Institute, Miami University at Hamilton, has received \$12,600 from the Hydro Systems Company for "Lean Training and Consulting."

Kathleen Weber, Continuing Education, Miami University at Hamilton, has received \$12,000 from Hydro Systems Company for "Lean Manufacturing Training and Consulting."

Kathleen Weber, Corporate and Community Institute, Miami University at Hamilton, has received \$11,200 from Hydro System Company for "Lean Manufacturing Training."

Kathleen Weber, Corporate and Community Institute, Miami University at Hamilton, has received \$6,500 from Hydro Systems for "Building Leadership Skills."

Kathleen Weber, Corporate and Community Institute, Miami University at Hamilton, has received \$5,400 from the Hydro System Company "Group Lead Leadership Reinforcement."

Kathleen Weber, continuing education, Hamilton campus, \$3,500 from the Hydro Systems Company for "Executive Leadership for Dan Leahy."

Kathleen Weber, Corporate and Community Institute, Miami University at Hamilton, has received \$18,600 from Innovative Medical Device Solutions for "Geometric Dimensioning & Tolerancing."

Kathleen Weber, Corporate and Community Institute, Miami University at Hamilton, has received \$5,835 from Innovative Medical Device Solutions for "Blue Print Reading Training."

Kathleen Weber, Continuing Education, Miami University at Hamilton, has received \$12,350 from Lorain Co. Community College (pass-through funds from the Ohio Board of Regents) for "Targeted Industries Training Grants."

Kathleen Weber, continuing education, Hamilton campus, \$9,000 from Lorain Co. Community College (pass-through funds from the Ohio Board of Regents) for "Targeted Industries Training Grants."

Kathleen Weber, Continuing Education, Miami University at Hamilton, has received \$9,000 from Lorain Co. Community College (pass-through funds from the Ohio Board of Regent) for "Targeted Industries Training Grants."

Kathleen Weber, Continuing Education, Miami University at Hamilton, has received \$6,975 from Lorain Co. Community College (pass-through funds from the Ohio Board of Regents) for "Targeted Industries Training Grants."

Kathleen Weber, continuing education, Miami University at Hamilton, has received \$6,600 from Lorain Co. Community College (pass-through funds from the Ohio Board of Regents) for "Targeted Industries Training Grants."

Kathleen Weber, Continuing Education, Miami University at Hamilton, has received \$5,575 from Lorain Co. Community College (pass-through funds from the Ohio Board of Regents) for "Targeted Industries Training Grants."

Kathleen Weber, Corporate and Community Institute, Miami University at Hamilton, has received \$5,300 from Lorain Co. Community College (pass through funds from the Ohio Board of Regents) for "Targeted Industries Training Grants."

Kathleen Weber, Corporate and Community Institute, Miami University at Hamilton, has received \$19,125 from the NSS Enterprises Inc. for "Lean Manufacturing Training."

Kathleen Weber, Corporate and Community Institute, Miami University at Hamilton, has received \$18,000 from NSS Enterprises for "Lean training Phase III."

Kathleen Weber, Corporate and Community Institute, Miami University at Hamilton, has received \$17,280 from NSS Enterprises Inc. for "Lean Training Phase IV."

Kathleen Weber, Corporate and Community Institute, Miami University at Hamilton, has received \$55,799 from the Ohio Board of regents for "Jobs Challenge Incentive Grant."

Kathleen Weber, Corporate and Community Institute, Miami University at Hamilton, has received \$1,200 from Tomak Precision, Inc. for "Geometric Dimensioning and Tolerancing."

Kathleen Weber, Corporate and Community Institute, Miami University at Hamilton, has received \$10,000 from the United Performance Metals for "Lean Consulting, Coaching and Training 2009."

Kathleen Weber, Corporate and Community Institute, Miami University at Hamilton, has received a grant from the Western States Machine Company for "Lean Training and Consulting Phase 3."

Other Professional Activities

Peter C. Kratcoski, Department of Justice Studies, served as official recorder of the conference and made a summary presentation of the conference proceedings.

Peter C. Kratcoski, Department of Justice Studies, Kent State University at Stark and Tuscarawas, served as panelist on a roundtable titled "The Future of Policing in an Increasingly Globalized World," at the 17th Annual International Police Executive Symposium in Valletta, Malta from March 14-19, 2010.

John A. Marino, College of Technology, Kent State University at Trumbull, satisfactorily completed Impact Leadership Training, Kennesaw State University, Atlanta, Ga., Aug. 21-24, 2010.

Other Noteworthy Accomplishments

Kitty Consolo, Health and Human Services, Ohio University at Zanesville, placed third in her age group among more than 1,100 runners when she recently competed in the RRCA National Half Marathon Championships in Parkersburg, W.Va. Also, on Labor Day weekend, she ran with more than 500 runners at Millersport Sweet Corn Festival race, winning the overall women's masters in 23:14.
